HAUNT ATTRACTIONS

OVERLORD'S *Awakening*

As darkness falls, bear witness to Overlord's Awakening as he calls his army to rise and transform the park.

The Chamber of Horrors Wax Museum has reopened, and for this limited time, Miss Lizzie invites you to examine her collection of some of the most feared villains, murderers, criminals and miscreants imaginable. So lifelike, so believable, so haunting, you might even think they're alive.

ZOMBIE HIGH

The hallowed halls of Zombie High beckon you back to a horrific homecoming of flesh eating hellions. Don't be tardy. If you make it out alive, you can consider yourself "Saved By The Hell!"

NEW 2013

Haunters won't want to miss INFERNO, our hottest hangout for after dark entertainment. Be amazed by the steaming sights and sounds of a wide range of oddities, acts, and obscurities. Not advised for the faint of heart nor the young at heart.

ASYLUM ISLAND

Cross the bridge to Asylum Island to explore Lakeside Mental Hospital where the inmates have taken control.

Over a century's worth of bloodthirsty vampires lurk within the walls of this catacomb of the undead. Venture underground into Lore of the Vampire's Club Blood where human victims are drained of their life to nourish the children of the night.

A trip to Old MacDonald's farm turns into a massacre.

Step back in time and into the fog filled streets of London where the villains of the night are terrorizing the townsfolk. Step lively or you'll fall victim to Jack the Ripper's blade or Dr. Jekyll's twisted experiments!

Outlaw spirits of Boot Hill Cemetery ascend to defend their ghost town and find those who sentenced them to death.

A pack of freaks and deranged clowns taunt those who trespass their territory.

Hordes of Screampsters lurk in the nightmarish shadows and blinding fog of the Fright Zone, searching for their next succulent morsel on which to feed. This midway temporarily closes prior to the opening of the Fright Zone.

Legend has it that the crazed farmhands built countless scarecrows to ward off any would-be trespassers. And now years later, who really knows what evil lurks in the corn. This frightful cornfield will scare the yell out of you!
