HAUNT ATTRACTIONS

OVERLORD'S *Awakening*

As darkness falls, bear witness to Overlord's Awakening as he calls his army to rise and transform the park.

NEW FOR 2014!

The Keepers of the Boneyard haunt the underworlds of Worlds of Fun feeding on the marrow of the living.

The Chamber of Horrors Wax Museum has reopened, and for this limited time, Miss Lizzie invites you to examine her collection of some of the most feared villains, murderers, criminals and miscreants imaginable. So lifelike, so believable, so haunting, you might even think they're alive.

ZOMBIE HIGH

The hallowed halls of Zombie High beckon you back to a horrific homecoming of flesh eating hellions. Don't be tardy. If you make it out alive, you can consider yourself "Saved By The Hell!"

ASYLUM ISLAND

Cross the bridge to Asylum Island to explore Lakeside Mental Hospital where the inmates have taken control.

Over a century's worth of bloodthirsty vampires lurk within the walls of this catacomb of the undead. Venture underground into Lore of the Vampire's Club Blood where human victims are drained of their life to nourish the children of the night.

A trip to Old MacDonald's farm turns into a massacre.

A NEW strain of the plague is running ramped through the streets of London terrorizing the town folks with a new strain of destruction. Step lively for you'll fall victim to Jack the Ripper's blade or Dr. Jekyll's twisted experiments.

Outlaw spirits of Boot Hill Cemetery ascend to defend their ghost town and find those who sentenced them to death.

A pack of freaks and deranged clowns taunt those who trespass their territory.

Legend has it that the crazed farmhands built countless scarecrows to ward off any would-be trespassers. And now years later, who really knows what evil lurks in the corn. This frightful cornfield will scare the yell out of you!
