

WORLDS OF FUN is for everyone. It is truly a place where a difference in age makes no difference at all. It's a place to share. A fascinating blend of sheer, rollicking excitement; the skill of a glassblower; the spectacular splashing Viking Voyager flume ride. The Zambezi Zinger, one of the world's fastest and most thrilling coaster rides, leaps through breathtaking curves and dips from the height of a seven story building. And more. Much more.

There are over 60 fantastic rides, shows and attractions at WORLDS OF FUN, grouped in beautiful themed areas on 140 acres that recreate the atmosphere of AMERICANA, SCANDINAVIA, THE ORIENT, AFRICA and EUROPA.

It's a special place waiting for you, your family, your friends. Your one price Passport ticket gives you free rein to enjoy each and every attraction, as many times as you like... all day long.

WORLDS OF FUN is located just twelve minutes north of downtown Kansas City, Missouri, on I-435 which connects with I-29, I-35 and I-70, just minutes away from Highways 24, 40, 50 and 71. It's close to motels, hotels, buses, trains and the new Kansas City International Airport.
