## Take off

...from your world and come to ours. Experience Worlds of Fun. The excitement here is contagious! You'll feel it as you embark upon your world tour through the sidewheel steamer S. S. Henrietta. Hop aboard a Sky-Hi gondola and soar skyward high above 145 magical acres. Take it all in. The colors. The activity. The sounds of happiness. The spinning, soaring, speeding, screaming rides. The gentle aroma of international cuisine. The music and spontaneous applause from the dazzling shows. From the very beginning and through the remainder of your day, something very happy will be happening. It's a full, exciting day. A pleasant escape from the real world. But along with the thrills, the excitement, the entertainment, there's the best of reality here. There's happiness. Sharing. The very real lift of gathering families and friends together in a safe, clean atmosphere of warmth, laughter and uncommonly good fun for everyone.

## You belong in our Worlds.

Bring the family and relatives; bring a date; bring a friend. Treat yourself. Come in groups from just a few to several thousand. Plan a picnic in our lovely, tree-shaded picnic area or enjoy food specialties from fresh pizza to fried chicken to old world Scandinavian pot roast. However you come, prepare to leave your clocks and cares behind. At Worlds of Fun, something happy is always happening and you'll be a part of it all from the moment you arrive.

## The showplace of the Midwest. On stage. In the water. All around you.

Great stars from the entertainment world will perform in concerts at Worlds of Fun's Forum amphitheatre throughout the 1975 season at no extra cost. Mac Davis, Jose Feliciano, Rick Nelson, Barbara Mandrell, Bobby Goldsboro and a host of others appeared last season.

Brand-new, colorful and extravagant musicals are offered this season at the Tivoli Music Hall and the Moulin Rouge.

Sounds of laughing crowds will lead you to our marionettes; the mad music of John Phillip Tuba's Wunnerful Wunderband; and fluffy, furry friends like Dan'l Coon, Sam Panda and Grrrtrude, our loveable Gorilla.

You'll flip to the zany antics of dolphins named Skipper and Dolly in the new Fins and Flippers Show. Happy surprises are everywhere.

## This year, for the first time, meet the magical Captain Ben Everywhere.

No one in the world is quite like him, and he's making his first appearance this year.

Captain Ben Everywhere is a jolly, entertaining and loveable old magician who delights children and adults in daily performances of an all-new show. He knows everything. He's been everywhere. His genuine magic will amaze you, amuse you and leave you baffled.

In his sea chest of memories he keeps relics of his travels throughout the world and throughout time. Right before your eyes he'll change inanimate objects into living creatures, cut beautiful women in "three" and change anyone's frown into an earsplitting smile.

No matter where you've been or what you've seen, you haven't seen it all until you've seen the magical man who's Ben Everywhere.

## (Whoosh!) Thrill to the (Bump!) world's greatest (Wow!) rides.

Begin your day with the daredevil's favorite roller coaster, the Zambezi Zinger. You'll plummet from towering heights, hurtle through exhilarating dips and speed around twisting turns. You'll love the wild, wet Viking Voyager, a flume ride that shoots the rapids. The dizzying, diving Schussboomer coaster. The whirling-swirling Oriental Octopus. The crazy wonderland of Der Fender Bender bumper cars.

There are five worlds of heart-pounding, mind-boggling rides. All kinds of rides. For the young and young-at-heart. You'll want to try them all.

Most people spend a whole day so they can ride again and again. Your one price admission Passport lets you ride the rides and see all the shows and attractions as many times as you wish.
