Worlds of Fun is 153 acres of fun and excitement, nestled in the green Missouri countryside. This beautifully landscaped park features more than 90 attractions and three and one-half hours of live shows daily. The fun is internationally themed around the sights and sounds of Americana, Europa, Africa, Scandinavia and the Orient.

Since it opened in the spring of 1973, Worlds of Fun has been visited by over one million guests annually. Worlds of Fun is open on weekends in the spring and fall and daily throughout the summer. Located off Interstate 435 at exit 54, the park is in Kansas City, Missouri, just twelve minutes northeast of downtown.

Good times are what Worlds of Fun is all about. So come back often and join in the fun.
