WORLDS OF FUN HELPFUL HINTS

Plan to spend a whole day, or even two, discovering the more than 135 rides, shows and attractions in each themed section of the park. Two day tickets are available at the ticket booth or if you have already purchased your Passport, Super Saver Passports are available at Guest Relations.

Wear comfortable shoes, Worlds of Fun covers 167 acres.

Restrooms are located in each section of the park near a major restaurant.

Storage lockers and baby strollers are located at the Wheel Borrow at the Front Gate. Strollers are also available at the back gate next to First Aid.

An outdoor kennel for pets, free of charge, is located at the Scandinavian road entrance.

Picnic facilities are located outside Worlds of Fun near the back entrance and near B lot. Worlds of Fun does not allow coolers or food to be brought into the park.

The height requirement on many of our major rides is a minimum of 42". However, Worlds of Fun has many rides just for the little ones.

Worlds of Fun accepts Visa, MasterCard, American Express and Discover in all of the shops and at the Inn of the Four Winds. Personal checks with proper identification may be cashed at Guest Relations.

To avoid ride lines, begin at the back of the park in the morning and work your way toward the front of the park by the evening.

Forum tickets are available at the Ticket Booth, Guest Relations and the Cotton Blossom on the date of the concerts.

The best time to eat at Worlds of Fun to avoid lines is at non-traditional lunch or dinner times: 11:00, 2:00 or 3:00, or late evening hours such as 7:00, 8:00 or 9:00.

For cooling off on a hot summer day, get a refreshing splash of water on the Fury of the Nile, Viking Voyager or the Python Plunge, new in '88.

Air conditioned facilities include the Tivoli Music Hall in Scandinavia, Stax of Wax in Europa, Panda-Dome in PANDAMONIUM, the Inn of the Four Winds restaurant in Scandinavia and several merchandise shops.

The Lost Parent's Caboose is located in the Americana section of the park near the Pony Promenade. For assistance please ask any Worlds of Fun security ranger.

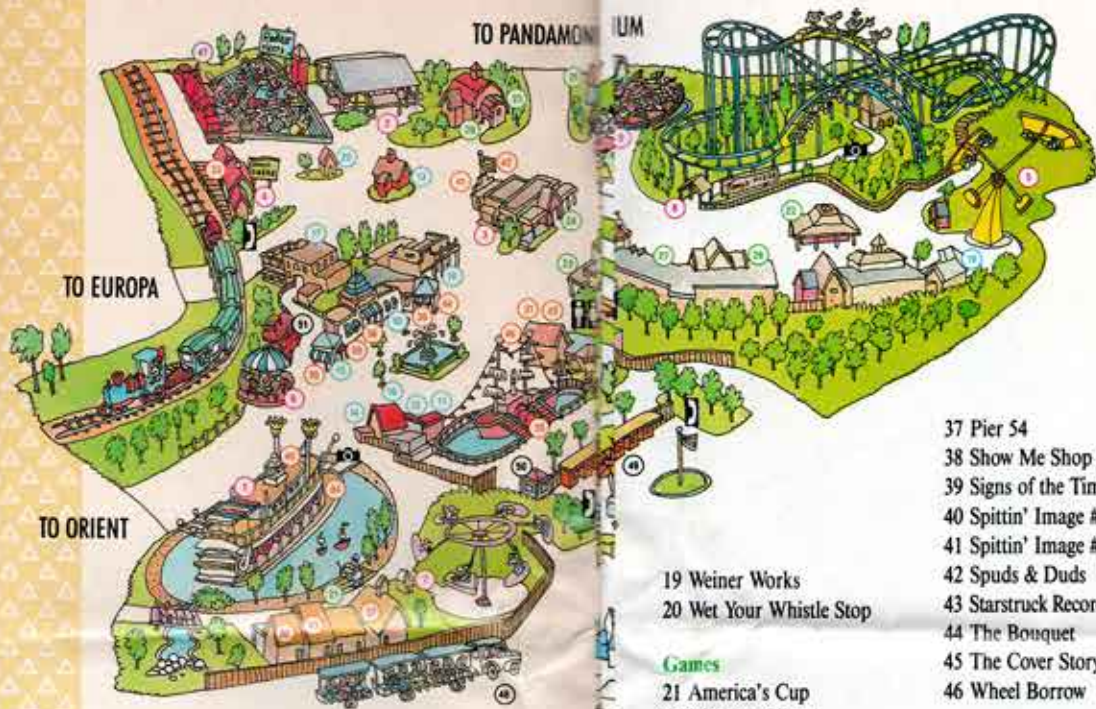

For information regarding lost articles, please go to Guest Relations at the Front Gate.

A message board is located at Guest Relations at the Front Gate for your convenience. We are unable to page guests.

Most rides at Worlds of Fun are accessible to the handicapped. For more information a copy of the Accessibility Guide is available at Guest Relations.
