## Worlds of Fun

**D**EEP in the African jungle at the edge of the great waterfall lives the legend of the mighty serpent. For centuries explorers have attempted to navigate this treacherous stretch of water. Failing to evade its powerful grip, these brave survivors were propelled over the edge. Thus, the legend of the Python Plunge was born. Tangle with Worlds of Fun's new Python Plunge, four differing, lightning quick hydroflumes, each with its own gripping challenge.

It's round-up time at Worlds of Fun as the stage for the "Great Train Robbery," a wild 'n' woolly salute to the Old West featuring stunts direct from Hollywood.

Then journey to PANDA-MONUM, a special land brimming with pint-size pleasures just for the little ones.

Encounter all of Worlds of Fun's outrageous thrills, sensational live shows and endless good times packed into 365 acres of pure fun!

**THE
