Oceans of Fun

Oceans of Fun

**H**old on for the time of your life ... as Worlds of Fun opens in 1990 with more thrills and chills.

Shoot through the icy currents of the Viking Voyager. Ride the raging rapids on the Fury of the Nile. And brace yourself for all the thrills of the Midwest's most incredible roller coaster attractions — the plummeting drops of the Timber Wolf, the upside-down loops of the Orient Express and the sharp tree-top turns of the Zambezi Zinger. If you thrill to the beat, catch a pop and contemporary musical revue at the Tivoli Music Hall! It's all here for you in 1990. Grab the family ... and hold on for the time of your life!

Grab your swimsuit, hit the surf and catch some rays at Oceans of Fun. Challenge the dual racing slides of the Typhoon. Cascade through Diamond Head's incredible triple waterslides. Ride the perfect wave at the Surf City Wave Pool. Then lie back and relax in the gentle waters of the Caribbean Cooler. A full day of water fun in the sun awaits you at the Midwest's tropical paradise ... Oceans of Fun.

# THE LEGEND CONTINUES

Those who first witnessed the terror at the forest's edge vowed never to return. But they did return, again and again. They were seduced by the eerie creaking of the pines, the racing energy of their own heartbeats, the chilling echoes of their own screams. They faced the 95-foot drop straight to earth. They became lost in over 4,000 feet of relentless, thrashing terror.

They lived the legend of the roller coaster that experts rated #2 in the world. The Timber Wolf.

Now, it's back. It's your turn to challenge it. If you dare.
