NEW IN 1996

IT'S A BLAST!

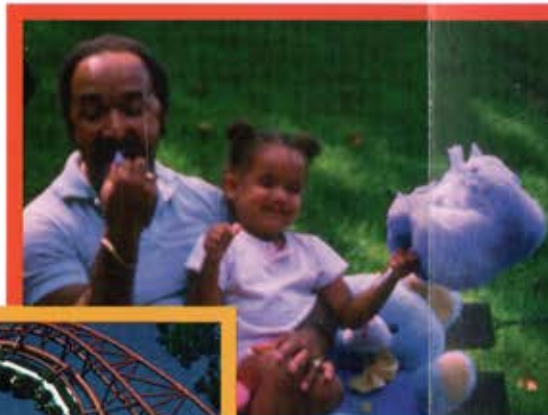

Worlds of Fun and Oceans of Fun will show you an entire summer of fun with major rides, entertaining shows and thrilling attractions!

Worlds of Fun reaches new heights in 1996 with the Detonator. It's the world's first 200-foot, twin-tower, 24-passenger structure and it's a blast! Riders are lifted skyward at speeds up to 45 miles per hour before plummeting back to earth. Plus, experience flight on the all new RipCord. The thrills of skydiving and bungee jumping are combined in this adrenaline pumping adventure ride. Daring riders are hoisted 180 feet above the launch site, then released into flight (an additional fee is required to ride RipCord). Enjoy exciting rides, take in a toe-tapping show, try a taste-tempting treat; and, beginning Memorial Day weekend, meet the Berenstain Bears, all at Worlds of Fun.

Next door at Oceans of Fun, the midwest's largest tropically themed water park, find 60 acres of surf, sand and fun. It's packed with wet and wild adventures for adults and kids alike. Grown-ups will enjoy the sun deck and swim-up refreshment cabana at the adults-only pool. Kids will have a ball in Crocodile Isle - a children's sprayground with water slides, tree slides and Captain Kidd's Pirate Ship. Challenge the waves at the Surf City Wave Pool, float lazily on a special log raft or slip and slide down one of four wicked water slides, all at Oceans of Fun.
