RIDE SAFETY REQUIREMENTS

Worlds of Fun/Oceans of Fun is committed to providing our Guests with a safe and enjoyable day. Safety is a shared partnership between the Park and our Guests. Guests are asked to follow all posted and verbal instructions and carefully consider the ride requirements using good judgment.

Keep your hands, arms, legs and feet inside the designated vehicles at all times.

Life jackets are required for individuals under 52" at certain attractions in Oceans of Fun. Life jackets are required for individuals under 48" at some attractions. Only US Coast Guard approved life jackets are permitted.

Health Restrictions Each ride is evaluated against 5 primary health restrictions. These restrictions are back trouble, recent surgery, heart trouble/high blood pressure, neck trouble, and pregnancy. Guests with a history of recent surgery, heart trouble/high blood pressure, neck trouble, or any other condition that may be aggravated by riding, or who are pregnant, should carefully heed all warning signs at each ride entrance. If you are in doubt about your ability to safely experience a ride or would like more rider information, please review a Guest Assistance Guide or the Safety Guides posted at each ride entrance.

Restraints For your safety all passenger restraint systems, including lap bars, shoulder harnesses and seatbelts, must be positioned, fastened and tightened properly to allow guests to ride. Guests with a history of recent surgery, heart trouble, high blood pressure, neck trouble, back trouble, or who are pregnant should carefully heed all warning signs at each ride entrance. Generally, guests must have the ability to brace themselves upright in the seat and support their head and neck during the ride movements.

Lost People & Lost Articles It is important to arrange a meeting place should your party get separated. The parks do not offer personalized public paging. If someone in your party becomes separated from your group, we suggest you contact a member of our security staff or go to Guest Services for assistance.

FOR YOUR SAFETY, DO NOT ENTER UNAUTHORIZED AREAS TO RETRIEVE LOST ARTICLES. You may be seriously injured if you enter an unauthorized area. Please report lost articles to a ride associate or at Guest Services.

Most rides cannot accommodate loose articles including cell phones, hats, cameras, purses, backpacks, umbrellas, beverage containers, electronic device, etc. Smaller items must be safely secured in cargo pockets, a waist pack, in a bin on the ride platform, in a locker, or with a non-rider. Worlds of Fun/Oceans of Fun is not responsible for lost, stolen or damaged items.

All guests must adhere to the Park's loose article policy. Any non-compliance which results in damage or injury to person or property will result in consequences up to and including prosecution.

Rider Responsibility Law Missouri Statute RSMO 316.230 requires that riders obey all warnings and directions regarding all rides and behave in a manner that will not cause injury to themselves or contribute to the injury of others. Failure to comply may lead to ejection from the park and is a state misdemeanor.

GUEST INFORMATION & PARK POLICIES

Attire & Behavior Shirts, shorts/pants and shoes must be worn at all times while at Worlds of Fun. Bathing suits and swim wear are appropriate dress at Oceans of Fun only. Unruly behavior, profanity, obscene gestures, obscene statements, illegal substances & suggestive or offensive clothing or material is prohibited.

Guests Services Can be found at the entrance to either park. Guest Services provides information on Kid Track (to quickly reunite separated children and parents with cell phones), Rider Swap (to make it easy for parents with young children to enjoy the rides too) and a Guest Assistance Guide (explaining ride regulations and policies), plus more.

Height Measurement Visit one of our height check stations located at Worlds of Fun and Oceans of Fun entrances to determine height for rider height requirements. Once the measurement has been taken, the guest will be given a corresponding color-coded wristband to ease ride access throughout the day.

In case of severe weather, area emergency warning system sirens will sound and further instructions will be given over the public address system.

Worlds of Fun & Oceans of Fun defines line jumping as: Cutting in front of other guests who are already in line; OR, Saving a place for someone; OR, Leaving a line, then attempting to re-enter at the same point. Since this includes using the restroom or purchasing food or drink, we suggest you make all stops before you enter the line.
